

Better protect your patients,
staff and hospital from HAI's.

STERIPLEX® SD | Unsurpassed Efficacy

STERIPLEX SD's demonstrated efficacy is reflected in the reduction of HAI's during hospital trials and is a primary reason why Infection Control & Prevention Specialists are switching to the disinfectant.

UNSURPASSED EFFICACY

Kills More Than 99.9999% of C. diff Spores
STERIPLEX SD kills the two most urgent microbial threats in hospitals today, *Clostridium difficile* (*C. diff*) and Carbapenem Resistant Enterobacteriaceae (CRE's).

Kills All 5
STERIPLEX SD is the only EPA-registered *C. difficile* Sporicide, Virucide, Tuberculocide, Bactericide and Fungicide that is practical for daily use.

Fast - 30 Second Kill
STERIPLEX SD kills more than 99.999% of bacteria in 30 seconds.

One-step Cleaner & Disinfectant
STERIPLEX SD is EPA-registered to clean and disinfect in One-step. Realize significant product, time and labor savings.

Terminal Coverage
STERIPLEX SD's 360° Spray System is easy to use and provides fast terminal coverage of a room from floor to ceiling at patient discharge.

The Value of Silver
STERIPLEX SD has a unique chemical synergy that vastly boosts the natural antimicrobial effects of silver.

Hospital Tested
STERIPLEX SD's unsurpassed efficacy and superior safety are continuously being tested and proven through multiple ongoing hospital trials.

STERIPLEX® SD | Superior Safety

STERIPLEX SD's **safety profile** has been proven through rigorous testing and clearly differentiates STERIPLEX from competing disinfectants that utilize dated technologies, are highly toxic and environmentally unfriendly.

The Best Toxicology Rating

STERIPLEX SD is the only *C. difficile* sporicide with a Category IV rating for Primary Eye and Skin Irritation, and Acute Oral, Dermal and Inhalation Toxicity with no Precautionary or First Aid Statements required.

HMIS's Best Rating

STERIPLEX SD is the only daily *C. difficile* sporicide with an HMIS health and physical hazard rating of zero(0).

Friendly Yet Effective

STERIPLEX SD is environmentally friendly with no bleach, ammonia, quats, phosphates, aldehydes or phenols.

Daily Use Disinfectant

STERIPLEX SD is a unique, broad spectrum sporicidal disinfectant that can be used daily. It is not a skin irritant or sensitizer and is non-caustic.

Technology Safe and Non-corrosive

STERIPLEX SD does not damage electronic devices, medical equipment or surfaces and is non-corrosive when used as directed.

Non-fuming and Fresh

STERIPLEX SD has a fresh scent with no fumes and has no ventilation requirements, which allows staff and patients to breathe easy.

Bleach Free

STERIPLEX SD is bleach free and utilizes innovative technology to achieve unsurpassed efficacy without the negative attributes associated with bleach.
